# 4 Steps to Choosing a Side Hustle

For Teachers and Teacher-Moms

## Step 1: Brainstorm biz ideas

Make a list of your hobbies and interests, and;  
Think of what others usually ask of and from you.  
Across each hobby and interest, write down a business you can create from it.

# 7 Essential Questions

Things to consider when going through your list - SECT FVR

- Do I have the skill set for this business?
- Is it something I would enjoy or be happy doing?
- Does it require a huge capital?
- Will it take too much of my time away from family?
- Is it financially rewarding?
- Does it provide VALUE to others, and
- Is it a REPUTABLE way of making an extra living (meaning I would not compromise my principles).

Remember the acronym for the key words: **SECT FVR**

Step 3: Narrow down to top three biz ideas

At this point, you would have realized that some business ideas are more feasible and sustainable than others. Highlight your top 3!

Highlight the ones that give VALUE to others.
